

FOR IMMEDIATE RELEASE

**INTELlicHECK CEO DR. WILLIAM ROOF PRESENTING TODAY
AT PIONEERS 2016 INVESTOR CONFERENCE**

JERICHO, NEW YORK –May 5, 2016–[Intellicheck Mobilisa](#), Inc. (NYSE MKT:IDN), a leader in threat identification, identity authentication, verification and validation technology solutions, will be presenting today at the Joseph Gunnar & Co. PIONEERS 2016 Conference at the New York Palace Hotel in New York City.

Intellicheck's CEO, Dr. William Roof will provide a comprehensive corporate overview and the latest business update during his presentation. The prestigious, invitation-only event is attended by institutional investors, public companies, industry executives and accredited investors, Pioneers 2016 will showcase a wide array of public companies in various sectors including technology, healthcare, defense, financial and energy.

"We are pleased to have this opportunity to expand awareness in the investment community about the important advances Intellicheck is making in delivering real-time threat identification, identity authentication and validation solutions for the retail, hospitality, national defense, law enforcement, and financial markets. We are delighted by the response we have received from investment community attendees with whom we have a series of one-on-one meetings to discuss our impressive achievements and our plans for future growth," said Dr. Roof. Dr. Roof and Intellicheck CFO Bill White will be available for one-on-one meetings throughout the conference. Investors who are interested in a meeting can call 360-390-4961.

Intellicheck's Law ID® technology solution was named a top public safety app for 2016 by *Law and Order* magazine. The highly regarded publication included Law ID on its list of 2016's top 12 technology solutions, which it called "must have public safety apps" for law enforcement.

Intellicheck holds 25 patents, with nine patents pending, pertaining to threat identification and identification technology. The Company's real-time identity authentication and validation solutions support customers in the retail, hospitality, national defense, law enforcement, and financial markets. Intellicheck's products scan/image, authenticate and analyze components of identity documents

including driver licenses, military identification cards and other government forms of identification containing magnetic stripe, barcode and smart chip information. Once extracted from the identity card, the information can be used to provide safety, security and efficiencies throughout these markets.
