Legacy Cabinets Inc. Enhances Efforts To Secure Its Work Force With Intellicheck's ID Check

*Industry Leading Technology Solution Supports Legacy's Participation
In Federal Work Force Security Program*

JERICHO, NEW YORK – June 15, 2017 – [Intellicheck, Inc.](http://www.intellicheck.com) (NYSE MKT:IDN), an industry leader in delivering real-time threat identification and identification authentication that provides the antivirus to the epidemic of counterfeit IDs, today announced that Legacy Cabinets, Inc. is using the Company's patented ID Check technology solution to screen employment applicants. ID Check reads and analyzes the data encoded in the barcodes on government issued IDs such as driver licenses and matches the information against data in Intellicheck's proprietary ID Check database to authenticate the ID credential in real-time.

Legacy Cabinets is a participant in the U.S. Immigration and Customs Enforcement (ICE)'s IMAGE (ICE Mutual Agreement between Government and Employers) program. The IMAGE program assists employers in targeted sectors to develop a more secure and stable workforce. ICE is responsible for the enforcement of federal laws governing border control, customs, trade and immigration to support and promote homeland security and public safety.

"Not only must employers protect their customers and their businesses from ID theft and fraud, but they can also play a crucial role in community security. We are very excited to partner with Legacy Cabinets and we are honored they selected Intellicheck to provide them with our industry-leading ID authentication technology solutions and services. We have a deep understanding of the ever-growing need to counter security threats posed by escalating incidents of identity fraud and data security breaches. We designed our cutting-edge technology solutions to provide important safeguards that meet the needs of the public and private sectors. These include the retail and financial industries, law enforcement agencies, national defense organizations, critical infrastructure such as major seaports and military bases, and diverse state and federal government agencies," said Intellicheck CEO Dr. William Roof.

Legacy's CFO and Executive Senior Vice President of Finance, IT and Human Resources Carl Nicholson said there is a lot at stake. "It is important to us to assure the safety and well-being of our employees and our communities. The trust that is placed in us has been earned over years of hard work and commitment as good citizens and trusted business partners. Intellicheck's ID Check allows us to meet the challenges of our

technology driven society with the forerunning technology that enables us to address these serious concerns,” he concluded.

The Eastaboga, Alabama-based company has been in business for 22 years. The company sells cabinetry, doors, moldings and accessories to recognized retail outlets and dealers in forty states.
