

## **Intellicheck Announces the Appointment of Bryan Lewis as President and Chief Executive Officer**

JERICO, NEW YORK – February 7, 2018 – [Intellicheck](#) (NYSE AMERICAN: IDN), a trusted industry leader in real time identification authentication and threat identification technology solutions, today announced that the Board of Directors has appointed Bryan Lewis as President and Chief Executive Officer effective February 21, 2018.

Chairman of the Board of Directors Vice Admiral Michael Malone said, "We are extraordinarily excited about Bryan Lewis joining Intellicheck. He brings the ideal skill for leading us to explosive growth. Our thanks to Bill White for his loyalty and leadership as Interim CEO."

Lewis has over 30 years of global leadership positions in sales and operations in the financial services and financial technology sectors with a demonstrated ability to scale both high-growth and under-performing companies to create significant shareholder value.

Prior to joining Intellicheck, Lewis was Chief Operating Officer of Third Bridge, Inc. where he oversaw the growth of the company from 100 to 600 employees and a CAGR of 56% in a four-year period. Previously, Lewis held senior leadership positions at BondDesk (sold to TradeWeb), TheMarkets.com (sold to Capital IQ), Reuters, Barra (sold to MSCI) and Bloomberg. He began his career as a bond trader.

"I am honored that the Board has given me the opportunity to join Intellicheck at this exciting time for the Company. When you combine the Company's industry leading technology solutions with the amazingly talented people at Intellicheck, the Company is extremely well-positioned to make great strides and I look forward to helping them do so," said Lewis.

Lewis will be located at Intellicheck's headquarters in Jericho, New York.

**Safe Harbor Statement**

Statements in this news release about Intellicheck's future expectations, including: the advantages of our products, future demand for Intellicheck's existing and future products, whether revenue and other financial metrics will improve in future periods, whether Intellicheck will be able to execute its turn-around plan or whether successful execution of the plan will result in increased revenues, whether sales of our products will continue at historic levels or increase, whether brand value and market awareness will grow, whether the Company can leverage existing partnerships or enter into new ones, and all other statements in this release, other than historical facts, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 (PSLRA). These statements, which express management's current views concerning future events, trends, contingencies or results, appear at various places in this website and use words like "anticipate," "assume," "believe," "continue," "estimate," "expect," "forecast," "future," "intend," "plan," "potential," "predict," "project," "strategy," "target" and similar terms, and future or conditional tense verbs like "could," "may," "might," "should," "will" and "would" are forward-looking statements within the meaning of the PSLRA. This statement is included for the express purpose of availing Intellicheck, Inc. of the protections of the safe harbor provisions of the PSLRA. It is important to note that actual results and ultimate corporate actions could differ materially from those in such forward-looking statements based on such factors as market acceptance of Intellicheck's products and the presently anticipated growth in the commercial adoption of the Company's products and services, changing levels of demand for Intellicheck's current and future products, Intellicheck's ability to reduce or maintain expenses while increasing sales, customer results achieved using our products in both the short and long term, success of future research and development activities, Intellicheck's ability to successfully manufacture, market and sell its products, Intellicheck's ability to manufacture its products in sufficient quantities to meet demand within required delivery time periods while meeting its quality control standards, any delays or difficulties in the Company's supply chain, the success of the Company's sales and marketing efforts coupled with the typically long sales and implementation cycle for its products, Intellicheck's ability to enforce its intellectual property rights, changes in laws and regulations applicable to the Company's products, the Company's continued ability to access government-provided data, the risks inherent in doing business with the government including audits and contract cancellations, liability resulting from any security breaches or product failure, and other risks detailed from time to time in Intellicheck's reports filed with the SEC. We do not assume any obligation to update the forward-looking information.
