

RCS Training Taps Intellicheck for Partnership Agreement to Offer Age ID

Florida Restaurant & Lodging Association's RCS Training Is State Hospitality Industry's Leading Alcohol Risk Management and Regulatory Compliance Employee Training Company

JERICHO, NY— March 6, 2018 - [Intellicheck](#) (NYSE AMERICAN: IDN), an industry leader in identification authentication solutions, today announced the signing of a partnership agreement with RCS Training, a subsidiary of the Florida Restaurant and Lodging Association ([FRLA](#)). [RCS Training](#), Florida's premier provider of alcohol compliance and responsible vendor training for Florida's hospitality industry, will be making [Age ID™](#) available to trainees. Age ID authenticates driver licenses and other forms of government-issued identification spotting altered and fake IDs.

FRLA President and CEO Carol Dover said, "This partnership demonstrates our continuing commitment to provide the hospitality industry with access to the state-of-the-art tools that are critical to addressing the important issue of underage drinking. Risk management and regulatory compliance training isn't just about assuring legal compliance. It is about making sure our trainees return to the communities they serve with a heightened awareness of their responsibilities to avert the devastating consequences that can result from underage drinking."

Founded in 1984, RCS Training is Florida's leader in providing risk management and regulatory compliance training programs to the state's hospitality industry. Harnessing the resources of FRLA industry experts and former regulators, RCS Training is the largest and most respected firm of its kind in Florida. The FRLA has over 10,000 members with the RCS Training division servicing over 1,600 clients statewide.

Intellicheck President and CEO Bryan Lewis said Age ID has proven its effectiveness. "Age ID has demonstrated its effectiveness for businesses, law enforcement and regulatory compliance agencies across the country. We are proud of our partnership with RCS Training and we know Age ID will provide their trainees with a powerful solution to the challenge of preventing underage access to alcoholic beverages and assuring regulatory compliance."

Age ID authenticates IDs and verifies age information in real-time with 99.9% accuracy. It can be deployed on mobile devices including smartphones and tablets and can be integrated with point-of-sale solutions. The cutting-edge technology solution draws on a comprehensive, proprietary database, updated on an ongoing basis, to ensure information is timely and accurate.

Safe Harbor Statement

Statements in this news release about Intellicheck's future expectations, including: the advantages of our products, future demand for Intellicheck's existing and future products, whether revenue and other financial metrics will improve in future periods, whether Intellicheck will be able to execute its turn-around plan or whether successful execution of the plan will result in increased revenues, whether sales of our products will continue at historic levels or increase, whether brand value and market awareness will grow, whether the Company can leverage existing partnerships or enter into new ones, and all other statements in this release, other than historical facts, are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 (PSLRA). These statements, which express management's current views concerning future events, trends, contingencies or results, appear at various places in this website and use words like "anticipate," "assume," "believe," "continue," "estimate," "expect," "forecast," "future," "intend," "plan," "potential," "predict," "project," "strategy," "target" and similar terms, and future or conditional tense verbs like "could," "may," "might," "should," "will" and "would" are forward-looking statements within the meaning of the PSLRA. This statement is included for the express purpose of availing Intellicheck, Inc. of the protections of the safe harbor provisions of the PSLRA. It is important to note that actual results and ultimate corporate actions could differ materially from those in such forward-looking statements based on such factors as market acceptance of Intellicheck's products and the presently anticipated growth in the commercial adoption of the Company's products and services, changing levels of demand for Intellicheck's current and future products, Intellicheck's ability to reduce or maintain expenses while increasing sales, customer results achieved using our products in both the short and long term, success of future research and development activities, Intellicheck's ability to successfully

manufacture, market and sell its products, Intellicheck's ability to manufacture its products in sufficient quantities to meet demand within required delivery time periods while meeting its quality control standards, any delays or difficulties in the Company's supply chain, the success of the Company's sales and marketing efforts coupled with the typically long sales and implementation cycle for its products, Intellicheck's ability to enforce its intellectual property rights, changes in laws and regulations applicable to the Company's products, the Company's continued ability to access government-provided data, the risks inherent in doing business with the government including audits and contract cancellations, liability resulting from any security breaches or product failure, and other risks detailed from time to time in Intellicheck's reports filed with the SEC. We do not assume any obligation to update the forward-looking information.
